

Let's Gather — *together*

Sometimes, you just need to talk to someone who truly understands.

Living with Mild Cognitive Impairment (MCI) can bring a whirlwind of emotions and lifestyle changes — our innovative program gives people with MCI an outlet to work through them.

Gather is a welcoming, peer-led support group for people diagnosed with MCI. Based on successful programs emerging in Europe, the support group is facilitated by the members themselves. It's a place to connect with others who get what you're going through and a chance to navigate this journey together. It's offered at no cost.

- **When:** Every other Wednesday, starting June 11, from 2-3:15 p.m.
- **Where:** Dementia Care and Education Campus, 3811 N. 44th St., Phoenix, AZ 85018
- **Info:** Registration is not required but is highly encouraged. Call us at (602) 767-8300.

Care partners, you're welcome to join a different support group that meets on campus at the same time.
