Dementia Bytes

We offer this lunchtime dementia education and support session every Thursday to accommodate the pressing schedules of care partners who may work during the day. Bring questions, concerns, challenges, or anything that's been on your mind—and get answers in our expert-led, online discussion. Whether you want to talk or simply be present, you're welcome here. We're here to learn and support one another.

No cost. No need to register.

Thursdays, Noon–12:45 p.m.
